

ProZ

PREBIOTIC/PROBIOTIC & SLEEP AID

STORE IN A COOL, DRY PLACE.

TAKE IT	DOSE
Both capsules 30 to 60 minutes before bedtime.	Adults take one purple capsule and one white capsule daily with a minimum of 8 fl. oz. of liquid or as directed by your healthcare professional. Can be taken with or without food.

Detox While You Rest With ProZ

ProZ is an all-natural supplement designed to assist in restoring the ideal microbiome composition in the gut. Some high carbohydrate diets, as well as a lack of probiotics and enzymes in the diet, cause an increase in unwanted gut bacteria like Candida which leads to a myriad of diseases and other health issues. The ideal ratio of 'good' bacteria to 'bad' bacteria is 85% to 15%. High-quality probiotics in ProZ are intended to increase the number of 'good' bacteria while the prebiotic fibers feed only the 'good' bacteria helping restore proper balance in the most complex system in the body.

ProZ Detox (white capsule) Great Gut Health

This advanced, all-natural prebiotic, probiotic, and enzyme blend provides a gentle detoxing effect, promoting weight loss and a healthy digestive system for higher nutrient absorption and energy utilization, leaving you feeling great and craving healthier foods.*
